

Summerhill

Despite their bad reputation, wasps are useful because they eat insect pests that destroy crops. **Challenge: Play a game of wasp tag/tig.**

The brown hare is Britain's fastest land mammal, clocking up speeds of 45mph. **Challenge: Run on the spot as fast as you can for 1 minute.**

Spiders cannot use muscles to extend their legs like we do. When they want to move their legs outwards, blood is pumped to each leg. **Challenge: Can you move like a spider?**

Summerhill is home to many animals, but can you find all of our very special animal friends hidden around the park?

'Leap Frog' is the perfect name for a game that involves jumping as many frogs can jump over 20 times their own body length. **Challenge: How far can you frog jump?**

Owls are the ninjas of the bird world with specially designed feathers that make no noise when they fly! **Challenge: How many times can you jump in the air and flap your arms like an owl in 1 minute?**

Dragonflies are mini masters of the skies and are able to fly in every direction including backwards! **Challenge: Walk backwards as fast as you can for 1 minute (look over your shoulder as you walk).**
