

Headland Square, Croft Gardens & Fish Sands

Revamp the Lamp

The Old Pilot Pier Lighthouse is in need of a lick of paint. Can you come up with a new design to make it more eye-catching? Maybe a colourful seashell theme or a stripy rainbow pattern.

Boredom-Busters

Balancing Beach Cairns –

Gather a number of different sized stones and carefully stack one on top of the other. What's the largest number of stones you can stack?

Nature Art –

Create a picture on the beach or in the park using natural materials around you. How about seaweed for mermaid hair or leaves as bird feathers? **Don't forget to tag #activehartlepool #familytimehartlepool in your outdoor art!**

Crab Walk –

Sit down with your hands by your sides. Push up on your hands and feet so your body is like a table. Keep hips high and walk with your arms and legs. Can you touch your left foot with your right hand? Switch?

The Big Catch Memory Game

Start by saying, 'The fisherman caught...' and something beginning with A (e.g. anchor), the next person continues by saying the last item (anchor) and then something beginning with B (boat). Can you get to Z without forgetting?

Hide and Seek - Can you find these things hidden around the Headland?
