

## Burn Valley Gardens

### Friend or Foe?

Create a magical creature. Will they side with the friendly, forest folk or the deadly, darkness dwellers? The choice is yours! #gethartlepoolactive #familytimehartlepool

### Boredom-Busters

#### Pooh Sticks –

Find a stick and a bridge then on the count of 3, players throw their sticks into the water. Whose stick will come out the other side first?

#### Fairy Steps –

How many fairy steps can you count? Don't forget to make a wish when you reach the other side!

#### Park Ranger –

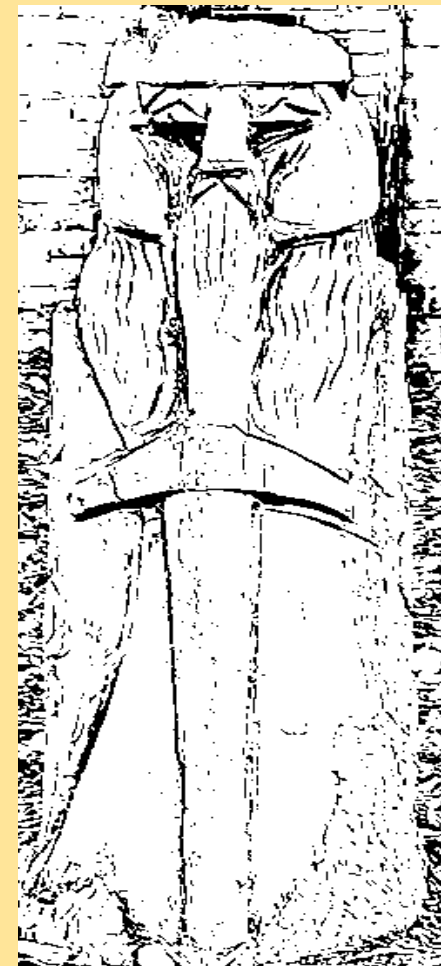

Be a park protector by taking part in a litter pick. Always ask an adult for permission and use gloves and litter pickers to avoid injury.

Who Am I? Tick Tock, time is ticking! Find me for another clue.

### Battle Ready

The Burn Valley Knight is looking worse for wear after his last battle with a fearsome troll. Restore his armour and sword by adding some colour.

### Hide and Seek - Can you find these things hidden around the park?
